Blocks of pitches are coloured to match the venue maps.

Games listed as 'X v Y' are 'round robin' games, where each team retains the same seed until the pool is over.

Games listed as 'X-Y' are bracket games, where the winner takes the higher seed (lower number) and the loser takes the lower seed (higher number) for the next round of games.

Note that in some divisions, some placement pools happen AFTER some elements of bracket play

Please note: Pitches 1 & 2 are the show fields, and some games will be moved onto these once we know the matchups later in the week. Other considerations such as bad weather may also force significant schedule changes.

You should ALWAYS check the latest version available online, in the newsletter, and at the venue, each day. If you are in any doubt, please check at the Information Desk.
